About Us

Sphere Sport is a sports apparel manufacturer based in Dongguan, China. Our founders, Sam Clay and Eric Fan, bring a unique blend of Australian and Chinese culture to our business, creating a dynamic and innovative approach to sports apparel production.

We specialize in sublimation printing, a process that allows us to print vibrant and long-lasting designs on our high-quality fabrics. Our dedication to using only the best materials and equipment ensures that our products are not only stylish but also durable and comfortable.

We believe that customer satisfaction is of utmost importance, and that's why we place a high emphasis on customer service. Our team is committed to working closely with our clients to understand their specific needs and create customized solutions that meet their unique requirements.

Premium apparel from 100% waste

We at Sphere Sport wear our commitment on our sleeve, literally!

Our customisable products are of the highest quality, super comfortable AND most importantly created from 100% certified waste. We blend 60% pre-consumer cotton with 40% recycled PET, spun into breathable, soft jersey knits and super comfy fleece.

We're here for sustainability, respecting our Earth's

resources to produce great quality apparel and accessories.

The benefits to the Earth's resources using this process saves our Planet's water, minimises pollution and prevents tonnes of cotton scraps and plastic being burned off into the atmosphere.

Our recycled yarn is certified under the Global Recycled Standard, produced through ethical and socially responsible factories.

With decades of experience in the fashion and entertainment industries, we've engineered t-shirts and hoodies that fit and feel amazing.

All can be customised, are gender-fluid and available in kids – everyone is included!

Please join us in making a positive difference today with Tmorrow and be part of the future.
