REPREVE RECYCLED FABRIC

ALWAYS IN STOCK

At Sphere Sport, we're committed to sustainability. That's why we offer REPREEVE, a premium recycled fabric made from plastic bottles—over 35 billion since 2007.

Trusted by major sports brands like the Pac-12, REPREEVE offers top-tier quality while supporting eco-friendly values. Teams can align their uniforms with their principles and meet growing demand for sustainable apparel.

We stock 140gsm and 160gsm REPREEVE fabrics. Heavier options are available with a 1,000-piece minimum order.
